

A bed with storage and cabinets under the bed

Overview

A storage bed is a bed frame that includes built-in storage compartments like drawers, shelves, or lift-up sections to maximize bedroom space. These beds eliminate the need for separate storage furniture by incorporating organization solutions directly into the frame design. This product has sustainability features recognized by trusted certifications. Our modern bed with storage designs provide ample space to store sheets, blankets, clothing and more—all without taking up an extra inch of floor space. Choose from twin, full, queen and king size bed frames with. Sleep easy knowing your bedroom is clean and organized with these dreamy storage bed designs. Price and stock could change after publish date, and we may make money off these affiliate links. Maria is a contributing writer for HGTV. Integrated LED light strip on the headboard adds a modern touch and provides soft.
