

Australian rooftop solar panel manufacturing company

Overview

Tindo Solar - Australia's only dedicated solar panel manufacturer, based in Adelaide, known for high-quality, Australian-made panels. Australian Solar Manufacturing (ASM) - Focused on producing reliable and efficient PV modules tailored for Australian conditions. As of 2026, Australia continues to lead the world in per-capita solar capacity, with rooftop solar installed on approximately 40% of dwellings. However, the market is evolving. Every family and household is different, so it is best to chat with our experienced team about what size solar panel system will best suit your needs. The Huntingwood system will comprise an estimated 10,000 solar panels.
