

# Base station outdoor installation line

**12.8V 100Ah**

## Overview

---

Spectralink wants you to have a successful installation. If you have questions please contact the Customer Support Hotline at 1-800-775-5330. The hotline is open Monday through Friday, 6 a. Contact an electrician if you are uncertain that suitable grounding is exists, or where. Before you set up a base station, please see Base station operation guidelines. For construction applications, where machine and site positioning operations using GNSS will be carried out over a long time (weeks, months, or years), ensure that you carefully choose the base station location. Know more! . TP-LINK's 5GHz 300Mbps \* Outdoor Wireless Base Station is specifically designed to provide an effective solution for outdoor wireless networking applications. If you need to place the antenna in a different location, you must order the Antenna Relocation Kit and connect the relocation antenna to the Gateway using the provided cables. Cables are not supplied with antenna cabling. Before beginning the process, review the preinformation in Chapter 3.
