

Boliwei lithium battery and energy storage project

Overview

Boliwei China reported revenue of 1.021 billion and plans to invest 3 billion to expand the production of lithium batteries and energy storage batteries in Dongguan. A group of Chinese firms is partnering with YLB, Bolivia's state-owned lithium mining company, to build a \$1 billion project to exploit the country's large—and mostly untapped—lithium resources. State-owned producer Yacimientos de Litio Bolivianos (YLB) said the. Bolivia, home to the world's largest lithium reserves, is making strides towards becoming a major player in the global green energy sector.
