

Boston large solar battery cabinet manufacturer

Overview

Bison ProFab manufactures a line of stock battery cabinets that meet the demands of battery installations for solar and alternative energy applications. They assure perfect energy management to continue power supply without interruption. Constructed with long-lasting materials and sophisticated technologies inside. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. Most of our enclosures are designed to NEMA3R and rated for outdoor. One of our recent projects with a leading U. Designed and engineered in the United States, our battery systems are certified and compatible with top inverter manufacturers providing you with the flexibility to.
