

# Brand new home energy storage battery

## Overview

---

We tested and researched the best home battery and backup systems from brands like EcoFlow and Tesla to help you find the right fit to keep you safe during outages or reduce your reliance on grid energy. Our 2026 Buyers Guide reviews Enphase IQ, Tesla Powerwall, FranklinWH and other home energy storage solutions. What is the Best Battery for Solar Storage?

Home batteries used for solar storage and blackout. By storing excess energy, a solar battery allows you to power your home at night or when the grid goes down. Another benefit of solar batteries is maximizing your return on solar investments. But there are so many options on the market; how do you know if the installer you're working with will carry the best brands?

That's where.
