

# **Brasilia outdoor telecom enclosure earthquake-resistant product warranty**

## Overview

---

Westell offers secure, weather-tight outdoor network enclosures to protect electronic equipment for outdoor telecom networks. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. Stainless steel's exceptional corrosion resistance is particularly beneficial in harsh conditions, such as coastal. Westell is excited to announce our new interactive portal to showcase our brand new fiber FDH Enclosures as well as our longstanding robust Outside Plant Enclosures and Integration Capabilities.
