

Cameroon Mobile Energy Storage Container Exchange

Overview

Release entered into a lease agreement with ENEO, an electricity company, in 2021 to deliver two solar hybrid and battery storage plants that have a combined capacity of 36MW solar and 20MW/19MWh of storage. The plants are located in Maroua and Guider, in the Grand-North Cameroon. Who's Reading This and Why Should They Care?

logistics managers scrolling through Google at 2 AM, coffee in hand, trying to figure out how to move battery containers through Cameroon's jungles without turning them into expensive paperweights. That's you, right?

This article is for: Cameroon's. Discover how containerized energy storage systems manufactured in Douala are transforming Cameroon's renewable energy landscape while supporting industrial and commercial needs. Plug-and-play energy storage is made possible by EnerCube. As a former startup operator, Alex was the co-founder and President at Moxion, one of the largest mobile energy storage manufacturers in the US. 2MWh of battery energy storage systems.
