

Can kittens be placed in lockers

Overview

Whether can a kitten be left in a room depends heavily on the kitten's age, temperament, and the safety of the environment; generally, brief periods are acceptable for older kittens, but younger ones require constant supervision. Bringing a kitten into your home is a joyous occasion, but it also. Keeping a kitten in a crate is a controversial topic among pet owners and animal lovers. Some argue that it is cruel and inhumane to confine a young feline in such a small space, while others believe that it can be a safe and effective way to train and care for a new pet. Set up a Safe Space The first step to bringing a new kitten home happens before they even get there. When other pets or children are active and might disturb your cat. When your cat needs a safe.
