

# Discount on 1MW Mobile Energy Storage Container

## Overview

---

We guarantee best pricing for largest energy storage battery system up to 1MWH in a 40ft container or 350KWH per 20ft container. Supplier highlights: This supplier is both a manufacturer and trader, offering full customization, design customization, and sample customization, with product certifications and project experience, primarily exporting to Spain, Croatia, and France, with a positive review rate of 85. PKENERGY 1MWh Battery Energy Solar System is a highly integrated, large-scale all-in-one container energy storage system. Housed within a 20ft container, it includes key components such as energy storage batteries, BMS, PCS, cooling systems, and fire protection systems. This scalable and reliable system helps businesses optimize energy consumption, providing efficient storage and integration with renewable energy. The battery energy storage system (BESS) containers are based on a modular design. They can be configured to match the required power and capacity requirements of client's application.
