

# Discount on earthquake-resistant off-grid solar energy storage cabinet for community use

## Overview

---

With the Inflation Reduction Act, battery storage installed in 2024 can qualify\* for the 30% federal tax credit, even if they aren't attached to solar panels. This may allow you to save thousands and is a key to unlocking affordable, clean energy. Top name brand, high performance off grid and battery backup solar systems and wholesale discount pricing to both homeowners and contractors. Shop. The EG4 BOSSBox is a weather-resistant energy storage enclosure designed for easy, DIY-friendly installation. Embrace sustainable living and harness the power of the sun with our reliable products. It must meet our daily needs AND take care of us when the grid goes down.
