

# Energy storage battery cabinet plug and unplug

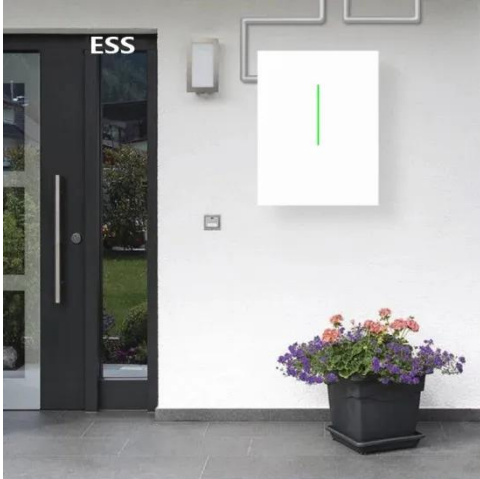

## Overview

---

With a slim modern cabinet, integrated heavy-duty caster wheels, and plug-and-play architecture, this battery can be positioned and commissioned by a single person—no lifting equipment, no wall mounting, no drilling. The ENVAULT by Enercap is a modular, outdoor-rated energy storage cabinet engineered for utility-scale and commercial energy storage applications. It is: Skid-mountable for rapid deployment. Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid. Discover the perfect blend of style and functionality with our energy storage cabinets. Factory built solution integrates comprehensive safety features that bring extensive quality control for the highest level of safety. Designed with careful equipment selection, catering for a long lifespan.
