Who is island solar Fiji?

Island Solar Fiji is your trusted installer of quality solar systems and battery storage. We work with you to improve your power reliability and save the planet. Who makes the best solar inverter in Fiji?

Our dedication to using trusted brands guarantees that our customers. From solar farms to electric ferries, lithium batteries are becoming the backbone of Fiji's green transition. Solar + Storage Hybrid Systems: Over 65% of Fiji's remote islands rely on solar-battery setups for 24/7 power. We listen and learn from our customers at the same time as keeping right up to date with the latest training from our suppliers: Victron Energy, Hanwha Q-Cells and Narada Power - to name a few. All. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an innovative base station energy solution. We offer the fastest service in the region with regular sea.
