

# Free solar panel installation for electricity generation

## Overview

---

The short answer is no, you can't get free solar panels from the government. Although 30% won't cover the total cost of installing solar panels at your home, the Federal. Companies that offer “free” solar panels are typically offering solar lease agreements, so you can reap the benefits of solar-powered electricity without dealing with the upkeep and maintenance of the panels. If you're hearing about “free” or “no-cost solar programs,” you're likely being fed a cheap sales pitch to tempt you into signing a solar lease, or a power purchase agreement.
