

Harare computer room solar cabinet system manufacturer

Overview

The Solar Shack was contracted by GOAL Zimbabwe to supply and install a solar backup system for the GOAL head office located in Harare. We are official and exclusive distributors of global leading brands. Our engineers are adept at completing projects at the highest technical level. Our operations are backed by global brands and entities who give us support to supply services. Explore our comprehensive large-scale photovoltaic solutions including utility-scale power plants, custom folding solar containers, advanced inverters, and energy storage systems. From the initial consultation and system design to seamless installation and ongoing maintenance, every step is executed with precision and care to maximize your energy. Solar Company Harare stands as a beacon of quality and innovation in the renewable energy sector, offering comprehensive solar services that blend modern design with reliable technology. At TecSolar Systems, we are committed to delivering sustainable and renewable energy solutions across Harare and Zimbabwe.
