Overview

A Chinese company will reportedly invest \$700 million to establish a solar panel glass manufacturing facility in Egypt. Hong Kong-listed Xinyi Glass will develop the project in the Suez Canal Economic Zone in two phases, the Egypt Today newspaper reported. This ASP is derived from amalgamating the specific solar glass revenues and shipments from Xinyi and Flat Glass over the five-year period from 2020 to 2024. The bar stack is the cost-of-sales, again amalgamating cost contributions for the two companies, and then segmenting the total to pull out the. Xinyi Solar Holdings Limited (SEHK: 968) was formed in 2008 in Dongguan when Xinyi Glass split off its solar photovoltaic glass development, manufacturing, sale, and customer service. Speaking to TaiyangNews, the company said it specializes in PV glass making and has product offerings encompassing ultra-clear solar glass (raw. PVTIME - In January 2026, the ignition ceremony for Xinyi Solar's inaugural photovoltaic glass furnace in Indonesia was held at the JIPE Special Economic Zone. This event marked a new phase of production for the facility, which was designed to operate safely and sustainably. Gresik, East Java - Xinyi Glass Holdings Limited, a major company from China, is.
