

# How many base station sites are there in Tajikistan

## Overview

---

Specialists from China are set to install 7,600 base stations following the GSM/UMTS/LTE/5G standard in Tajikistan, Sputnik reports. The collaborative effort was formalized through a memorandum signed by Bek Saburov, the head of the Communications Service of Tajikistan, and Ma Tian, the head of the. MegaFon Tajikistan has switched on 60 new 4G base stations across the country as part of its efforts to enhance service quality. In every government document describing Coalition efforts and contributions to the war on terrorism, Tajikistan was. Since 2016, Tajikistan requires all ISPs to route international traffic through the state-controlled Single Communications Gateway via EKTs, enabling surveillance and censorship. This event marks the beginning of a new era of ultra-fast internet and unlimited.
