

# Huawei brand solar container battery factory

## Overview

---

Huawei launches to the market its waiting lithium battery for solar self-consumption installations. Modular design, guarantee and assured performance with the new Huawei LUNA2000. Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series. When selecting a solar battery Huawei solution for home energy storage, prioritize models that offer seamless integration with Huawei inverters, high round-trip efficiency (over 95%), lithium-ion NMC or LFP chemistry, and strong cycle life (6,000+ cycles at 80% depth of discharge). To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an. HUAWEI FusionSolar advocates green power generation and reduces carbon emissions. It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage systems, and microgrids. No matter nights, rainy days or unexpected blackouts off the grid, the solar power is always at your request as a real bank.
