

Huawei s foreign trade solar container battery factory

Overview

China's Huawei has bagged its biggest BESS order to date and will supply the Meralco Terra Solar Project in the Philippines, which is considered the largest integrated solar and battery storage facility in the world. A deal was signed on Friday between its unit Terra Solar. In early December, Huawei signed a supply agreement for the 4.5GWh battery storage system of the MTerra Solar project with Terra Solar Philippines Inc. Huawei Saudi Arabia's Red Sea Project is making headlines with the construction of the world's largest photovoltaic-energy storage microgrid. It said that the plant has been operating smoothly for a year, delivering more than.
