

# Huijue 50kW inverter price

## Overview

---

Price Range: \$2,800 - \$4,500 (higher upfront cost but lower cost per watt at scale). Best For: Large rooftops or ground-mounted arrays with uniform orientation and minimal shading. The 40-50KW three-phase high voltage energy storage inverter is the advanced solution for medium and small-scale commercial and residential energy applications. This series comes in power capacities of 40kW and 50kW and is able to support multi-machine parallel operations to configure scalable. Expert Tip: When comparing 50kW solar inverter prices, consider total cost of ownership—not just purchase price.
