

# If Huawei shuts down flow batteries for solar container communication stations

## Overview

---

energy-sector forensic teams have begun disassembling Chinese-manufactured solar inverters and grid-scale batteries after discovering undocumented 4G/LTE modules and other wireless communication transceivers buried on the circuit boards, according to two people involved. U. A Reuters investigation, citing two individuals familiar with the matter, revealed. U. Quoting the piece by Sarah Mcfarlane [\[1\]](#), about the potential of secret communication equipment inside solar inverters: U.
