## Merus® ESS Energy Storage System

All You Need For A Future-Proof Energy Storage Project. Creating Successful Business Cases Together with Our Customers Merus® Energy Management & Trading Software. With the exception of the batteries, the entire solution from controllers to inverters is manufactured in our own premises in Finland using innovative and high-quality Merus® Technology. Thanks to its scalable technology, modular structure, and easy configurability, our battery energy storage system can be customized according to the i... See more on meruspower BSLBATT
