

# Juba 5G communication base station flow battery construction project

## Juba 5G communication base station flow battery construction project

---

### **(PDF) Dispatching strategy of base station backup power supply**

Overall, this study provides a clear approach to assess the environmental impact of the 5G base station and will promote the green development of mobile communication facilities.

## Juba 5g communication station

## construction project

In terms of remote communication, it is based on 5G technology and base station construction. The network communication module under 5G technology cooperates with
