

KOSTAL photovoltaic grid-connected inverter

Overview

KOSTAL solar inverters offer the right solution for every requirement thanks to the wide range of products available in various power segments. Flexible system design with up to 3 MPPT, rated power up to 7. As a leading manufacturer of innovative solar, hybrid and battery inverters for private and commercial systems, we work closely with various. The latest innovation from KOSTAL may have made this vision much closer to reality, enabling self-generated solar energy to not only be used directly, but also allowing surplus to be saved for later use. With the solar inverters and hybrid inverters of the Piko, Piko IQ, Piko MP Plus and. Solar-Go. com - Worldwide Solar products Distributor.
