

# Lingjiao photovoltaic panel installation manufacturer

## Overview

---

WSL Solar has been specializing in design, development and manufacture of custom solar panels with high efficiency in China since 2006. With our in-house R&D team and management team for over 20 years' experience in solar industry, we are able to design and develop a tailor-made solar. Lingtech Solar (photovoltaic) since 2009 China Top photovoltaic manufacturer -Lingtech Solar is a group company. With 5 billion yuan investment, 25000 employees, it is a leading and top hi-tech enterprise in Solar Panels (Photovoltaic) which integrates teams of administration, R&D, engineering. Shanghai JINSUN New Energy Technology Co. We specialize in wind power generation systems, photovoltaic power generation systems, wind-solar hybrid power generation systems, battery energy storage. Chinese solar panel installers – showing companies in China that undertake solar panel installation, including rooftop and standalone solar systems. 294 installers based in China are listed below. In this blog, we have covered the top Chinese solar panel manufacturers, ranked based on the module shipments in 2025. JinkoSolar is one of the largest solar panels manufacturer in. These solar module manufacturers provide great assistance to protect the environment and promote new energy, and are able to fully automate the production of solar products, including monocrystalline solar panels, polycrystalline solar panels, inverters, etc. What are we doing?

Founded in 2010, Jingsun Group has been focusing on solar energy products for more than ten years, adhering to the innovative concept of "low price and.
