

Longi 360 photovoltaic panel specifications

Overview

The Longi 360W Solar Panel (LR4-60HPB, 355-375 Watt) features a maximum power output of up to 375 watts. 6% with a temperature coefficient of Pmax at 0. The operating parameters include mechanical loading and operational temperature ranges of. Longi Solar 360w Mono Solar Panel - LR4-60HPH-360M LONGi, 360w Mono PERC w 120 Half-cut Cells (60 cell equivalent), Black frame, white backsheet and MC4 connectors w/ 1200mm cable, LR4-60HPH-360M Less components and lower cost. Excellent performance under the IEC and UL Standard for 1500V system. LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products. It is designed for residential solar systems and distributed projects. We'd love to work with you! Greentech Renewables supplies. Passed more strict PID test with 85% RH, 85°C temperature, 1500 voltage. Excellent performance in low irradiance. Outstanding power output in low irradiance. These panels use state-of-the-art technology to achieve high efficiency and dependability.

Longi 360 photovoltaic panel specifications

Longi 360W Solar Panel (LR4-60HPB, 355-375 Watt) - TSolar

With a maximum power rating of 360W and module efficiency reaching up to 20.6%, this panel is ideal for residential, commercial, and utility-scale installations. The all-black aesthetic design makes it ...
