

# Malaysia large energy storage unit

## Overview

---

A 100MW/400MWh battery energy storage system (BESS), the biggest project of its kind by output in Southeast Asia, has been welcomed into operation in Sabah, Malaysia. Four projects have been selected in Peninsular Malaysia's first programme to build large-scale battery energy storage system (BESS) facilities. and its partners signed a contract for the Kuala Lumpur International Airport (KLIA) solar-plus-storage project, with Malaysia's Deputy Prime Minister Fadillah Yusof in attendance to witness the milestone. An inauguration ceremony was held this morning for BESS Lahad Datu, a project aimed at reducing power supply disruption risk on the. EVE Energy Co. This marks EVE Energy's formal entry into Malaysia's critical.
