

# Manufacturer of 1mw photovoltaic energy storage cabinet for drilling sites

## Overview

---

Namkoo NKB Series 215kwh commercial & industrial energy storage system adopts the all in one design concept. The cabinet is integrated with battery management system (BMS),energy management system (EMS),modular power conversion system (PCS),and fire protection system. The technology is mature and stable through inspection and testing by many stakeholders. With a modular design, single cabinet. Huijue Group was founded in 2002, is leading Energy cabinet Manufacturer in China, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage system.
