

Manufacturer of folding container grid-connected type for islands

12V 10AH

Overview

The Mobil-Grid ® is the ideal solution for use in isolated areas, for large ground-mounted generators or for parks connected to the grid. We make mobile solar containers easy to transport, install and use. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. The semi-mobile solar solution for your 6 months to 10 years projects. Whether you need permanent housing, emergency shelter, or off-grid living, our units offer unmatched flexibility and fast deployment. By delivering clean, accessible electricity, we support sustainable communities and contribute to a healthier. Revolutionary expandable design that transforms from compact shipping to spacious living in minutes Discover our premium container solutions designed for diverse applications and environments Premium expandable container with double-wing technology for maximum space utilization.

Manufacturer of folding container grid-connected type for islands

ALUMERO systems -- solarfold
