

# Microgrid Demonstration at Electric Power University

## Microgrid Demonstration at Electric Power University

---

### Microgrids , Grid Modernization , NLR

A microgrid is a group of interconnected loads and distributed energy resources that acts as a single controllable entity with respect to the grid. It can connect and disconnect from the grid to operate in ...

---

## Lessons Learned from Energy Commission Microgrid Projects

Seven EPIC-funded microgrid projects

funded in 2015 recently concluded their three-year implementation timelines. These seven projects demonstrated low-carbon-based microgrids for ...
