

# Microgrid Solutions Manager

## WORKING PRINCIPLE

## Overview

---

Your role will focus on defining grid-scale microgrid architectures and delivering cutting-edge solutions that integrate generators, battery energy storage, PV inverters, and other distributed energy resources. This position requires a unique blend of technical depth and business. AlphaStruxure is a leading Energy as a Service (EaaS) provider and microgrid integrator. It does so by helping public- and private-sector organizations achieve ambitious, tailored energy transformations — without the CapEx or. As the Microgrid Solutions Manager/Director within Delta's Energy Infrastructure Business, you will be at the forefront of innovation—helping establish Delta as a comprehensive solutions provider for grid-scale microgrids.
