

Mogadishu to build communication base station with wind and solar complementary energy storage

Mogadishu to build communication base station with wind and solar

Communication base station wind and solar complementary battery

Communication base station stand-by power supply system The invention relates to a communication base station stand-by power supply system based on an activation-type cell and a wind-solar ...

A WIND SOLAR COMPLEMENTARY COMMUNICATION BASE

The communication base station installs solar panels outdoors, and adds MPPT solar controllers and other equipment in the computer room. The power generated by solar energy is used by the DC load ...

- 100KW/174KWh
- Parallel up-to 3sets
- IP Grade 54
- EMS AND BMS
