

# Myanmar Valley Power Energy Storage System Manufacturer

## Overview

---

Solis, a global leader in renewable energy, has marked a significant milestone in sustainable energy with the successful deployment of a cutting-edge off-grid Battery Energy Storage System (BESS) in Myanmar. Home backup, solar system backup, small enterprises, base stations and other uninterruptible power supply backup system Our energy storage system is a customerized solution integrating battery packs, BMS, PCS, EMS, auto transfer switch, etc. This milestone project reinforces Solis' commitment to sustainable energy solutions and reducing dependence on traditional power sources. According to a company announcement published in February and SolarQuarter's report, Solis launched an off-grid Battery Energy Storage System (BESS) in Myanmar, offering clean and reliable power without relying. As one of the world's leading manufacturers of Li-ion battery storage systems, GSL ENERGY provides proven and reliable solar + energy storage solutions for the Myanmar market, helping to solve the local power dilemma. Myanmar's energy consumption has grown by 42%.
