

# Pet photovoltaic glue board customization

## Overview

---

Delamination between layers in photovoltaic (PV) backsheets is often reported in the literature, causing voids that can collect moisture, diminish module backside heat dissipation, and reduce the backsheet's effe.

## Pet photovoltaic glue board customization

---

### Photovoltaic Glue Boards: Specifications, Dimensions, and ...

Why Photovoltaic Glue Board Specifications Matter Now With solar installations increasing by 34% year-over-year (2023 Gartner Emerging Tech Report), photovoltaic (PV) glue ...
