 What Is A Rake For Solar Panels?
 How to Choose Rake For Solar Panels?
 Snow Rakes For Solar Panels - Buying Criteria
 They are soft, rubberized rakes attached to a long telescoping pole that helps you easily and safely reach your roof panels from the ground. The soft head lets you quickly brush snow off the solar panels without fear of scratching or damaging the surface. Please note that snow rakes are good if your solar panels are easy to reach from the ground. A See more on rakeadvisor Amazon
