

# Price of a 600mm deep communication power supply cabinet

## Overview

---

Featuring a wall-mountable design for optimal efficiency in areas with limited floor space, this 6U server rack or network rack cabinet has an optional 23.62-inch (600mm) depth that is ideal for housing standard equipment. Cage nuts and screws are included. Explore a comprehensive range of 600mm wide x 600mm deep data cabinets and racks from top brands at Comms Express. The cabinet allows for flexible configuration, so you can pick the APC UPS (uninterruptible power supply), rack APC PDU (power distribution unit), and security solutions that. AZE's 6U IP55 pole mount Outdoor Cabinet are designed to protect your sensitive network equipment from harsh environments, with waterproof and dustproof features to safeguard it from the elements, while still keeping the equipment secure outside. Doors and side panels are all lockable and removable thus providing all round access to the entire rack. The mounting profiles are numbered with the "U" size and are fully adjustable. The intelligent modular product.
