

# Quote for battery cabinet charging in luxembourg city

## Overview

---

With an 11 kW charging station and an average rate of 0.191 GBP/kWh, you can charge your vehicle for approximately 6,84€ to 11,40€ depending on your battery capacity. It is three to four times cheaper than at CHARGY (or other) public. We will explore the different types of charging stations available, including the location of charge stations in Luxembourg as well as the Tesla Supercharger station and charging prices. Whether you are a resident or visiting Luxembourg, this guide will provide you with all the information you need. Take advantage of our Autofestival offers to equip yourself with a charging station for your electric or plug-in hybrid car! Ideal for a single-family home ☐☐ • Compact size • Indoor and outdoor installation • Charging capacity up to 3.
