

# Singapore s trusted energy storage container company

## Overview

---

Strategically headquartered in Singapore with a robust presence across Asia Pacific, OEG is a trusted leader in providing high-quality offshore containers and tank solutions that support both local regional operations and global energy markets. As one of Asia's largest battery operators, our energy storage portfolio is well-positioned to support the evolving needs of power markets as they increase their uptake of renewable energy. Our high-quality installation equipment includes both. At Green Tenaga, we design and deploy advanced energy storage solutions and ensure highest safety and performance at every step. Green Tenaga brings over years of combined experience in BESS manufacturing with Singamas.
