

Solar energy for homes nassau

Overview

Discover elite solar companies in Nassau County featuring premium installations, substantial incentives, and eco-friendly power technology. Island Solar is based in Nassau, Bahamas and is committed to installing safe, high quality, code compliant and long lasting solar electric (photovoltaic) systems in the Bahamas and across the Caribbean. We specialize in commercial systems from 50 kW to multi-megawatt utility scale systems. We evaluate your home or business's energy usage and utility rate to determine potential solar savings. The solar systems we install typically have a payback between 4-7. Solar installation for homes, businesses, islands and more. Real families are already enjoying these benefits. NYS Essential Power customers say they've completely eliminated their electric bills. They see the change after just 1-2 days of professional installation.
