

Swedish energy storage power station battery

Overview

Sweden's largest energy storage investment, totaling 211 MW, goes live, combining 14 sites. Developer and optimiser Ingrid Capacity and energy storage owner-operator BW ESS have been. The Elektra Energy Storage Project, Sweden's largest battery storage project, is now fully operational. Located in Landskrona, southern Sweden, the project will provide ancillary services to help balance the grid for Landskrona Energi.

Swedish energy storage power station battery

Sweden's largest battery energy storage project is now operational

The Elektra Energy Storage Project, Sweden's largest battery storage project, is now fully operational. Located in Landskrona, southern Sweden, the project will provide ancillary services to ...
