

Tianfeng Photovoltaic Support Factory

Overview

Tianfeng dedicated to photovoltaic stents, greenhouse frame design, development and installation. Henan Tianfon New Energy Technology Co. Power application popularization of national. Description: Photovoltaic carport is a highly versatile and economical ground carport photovoltaic support system suitable for the construction of commercial power stations and the needs of various enterprises and institutions for this type of electricity. This system adopts high-strength carbon. No. 17, Xinyi Street, Economic Development Zone, Xinxiang, Henan Province, China Add.

Tianfeng Photovoltaic Support Factory

Tianfeng Ground Solar System Solar Support Structure Photovoltaic

This system adopts high-strength carbon steel material photovoltaic bracket, and the surface is treated with high-quality hot-dip galvanizing, which has strong corrosion resistance and is suitable for various ...

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW/115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Solar photovoltaic stents

Tianfeng dedicated to photovoltaic stents, greenhouse frame design, development and installation. Tianfeng photovoltaic bracket system is widely applied in the mountain, housing the photovoltaic ...
