Home Energy Storage (Stackble system)

Product Introduction

- Scalable from 10kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem
- LFP battery, safest and long cycle life
- Stackable design, effortless installation
- Capable of High-Powered
- Emergency Backup and Off-Grid Function

Uninterrupted Communication: Complete Backup Power Solutions for

Through the right configuration, strict maintenance, and intelligent control, EverExceed ensures every watt of power delivers continuous reliability, protecting communication networks when they are

Mathematical Modelling of the Power Supply System of a Mobile

Using the Proteus software, a simulation model of an uninterrupted power supply system for mobile communication base stations was developed. Based on this model, experimental tests were conducted.
