### Electric vehicle rebates, discounts and incentives in Australia

Victoria Government Incentives For Evs  
 New South Wales Government Incentives For Evs  
 Queensland Government Incentives For Evs  
 There has been no EV subsidy from the Victorian government since 30 June 2023. Victoria

has, however, scrapped its EV road user tax. This tax saw EV owners paying 2.5 cents per kilometre, while PHEV owners paid 2 cents per kilometre, which amounted to around \$400 a year for the average driver. Victorians can also access solar power rebates, which c See more on racv
