

Yingli photovoltaic panel brand

Overview

Yingli Solar is one of the world's largest solar panel manufacturers. Their PV modules are vertically integrated from ingots, wafers, and solar cells to completed panels. Solar panels they design are tested for international environmental, power tolerance, safety and reliability. Yingli Solar is headquartered in Baoding, China but they ship their photovoltaic (PV) products globally as well as throughout Asia, Europe, and the United States. The Yingli business model covers Yingli Energy Development Co. Headquartered in Baoding, Hebei Province, Yingli Solar has many bases in Baoding, Tianjin. Strong Recovery Story: Yingli has successfully recovered from near-collapse (2015-2020) to regain Bloomberg Tier 1 status and expand production capacity to 4GW, demonstrating resilience and renewed financial stability in 2025. Exceptional Value Proposition: With efficiency ratings up to 22. This ensures that the panel has the lowest overhead costs in production and has the highest quality controls throughout its production cycle.

Yingli photovoltaic panel brand
